Position at Shodhganga

Our library is acquiring under top 10th position in uploading PhD theses under shodhganga website. We contributed 5160 nos. of theses.

About Shodhganga

A reservoir of Indian Theses

The Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their Ph.D. theses and make it available to the entire scholarly community in open access. The repository has the ability to capture, index, store, disseminate and preserve ETDs submitted by the researchers. [\[Read More\]](#)

Internet Section

In the time of ICT, the internet section is providing vital role to perform better service of the library. In this section user can search e-journals, e-thesis, e-books and other education related documents, videos and also helpful to make own documents with the help of MS-OFFICE like project writings, paper writings, thesis writings, power point presentation etc.

In this section our library provide orientation programme and user education. We use projectors and micro phone to deliver the lecture.

The strength of the section: Total No. of Computer 70 nos. and Wi-Fi enable campus.

✓ NAAC's 'A' grade accreditation to GU
CORRESPONDENT

The accreditation to the varsity was recommended by the NAAC during its 66th standing committee meeting held today at Bengaluru. The validity of this accreditation status will remain for a period of five years with effect from today.

20 August, 2018

STAFF REPORTER

The design competition will be an opportunity to get the best creative idea and architectural design for the centre, leading to development of an iconic structure. Participants have to present a site layout with a preliminary landscape plan representing the environment. The winning design will remain open till August 30. The last date for online submission of the final design by shortlisted architects or architectural institutions is September 30.

Following the Standing Finance Committee's approval, the Union DonER Ministry recently released funds through the North Eastern

Director of the Indian Institute of Tropical Meteorology, Pune, as the chairman to advise the authority for setting up the centre.

The centre is currently running from its temporary facility in the second floor of the university's Anthropology, Geography and Earth Sciences building.
