

## ACKNOWLEDGEMENT

First and foremost I would like to express my deep sense of gratitude and indebtedness to my esteemed teacher and guide Prof. Polee Saikia ,HOD ,Department of Education Gauhati University who was a constant source of encouragement inspiration and fruitful guidance. Her constant academic meticulous diligent and close supervision during the study period will always be remembered.

I would also offer my heartiest thanks to all the faculty Members, Department of Education, Gauhati University for their instant help and co- operation.

I am also beholden to all the Principals, Librarians and the Library users of the Provincialised College Libraries of Lakhimpur District, Assam for helping me with required valuable information.

This dissertation would not have been possible without the suggestion and help of several people who, in one way or the other, contributed and extended their valuable assistance in the preparation and completion of this study.

No research is possible without the library, the centre of learning resources. I take this opportunity to express my gratitude to all the library staff for their services.

The heads, teachers, and students of the schools selected for the study deserve special mention for making time out of their busy schedules and providing information about the libraries of their schools.

Last but not the least I offer my thanks to my wife Anindita Borgohain (Joon) for her constant inspiration, encouragement, co-operation and help me every step of my work. My family member has always been source of joy to me during the time of strenuous work.
