

## ACKNOWLEDGEMENT

To begin with, I would like to convey my deep sense of gratitude and indebtedness to Dr. D. Sahariah, Department of Geography, Gauhati University under whose guidance and meticulous supervision, this research pursuit has been carried out. It would have not been possible for me to bring this work into its present shape without his wise counsel, untiring personal involvement and efforts in addition to the painstaking assistance in scrutinization of manuscripts at every step of this work.

I express my heartfelt thankfulness to Professor Anup Saikia, Head of the Department of Geography, G.U. who from time to time offered valuable suggestions, sustained encouragement, and necessary help for my research endeavor. My heartfelt thanks also go to Prof. A.K. Bhagabati, Prof. A.K. Bora, Prof. B. Kar, Dr. P. Bhattacharya, Dr. M. Das, Dr. N. Deka, Dr. M.J. Nath, Dr. U. Deka Baruah and Shri Mrinal Baruah of the Department of Geography, GU for their inspiration, suggestion and necessary help to carry out the work.

I express my sincere thanks to the working staff of Department of Geography, Gauhati University for acting as a helping hand in providing materials for field survey. I also thank the some outside members and research scholars for bringing forward this research in systematic way.

I convey my truthful thanks to the officials and members of Office of the Directorate of Surveys, Assam for providing necessary data and information regarding the survey. I am also thankful to Dr. Jayanta Sarma sir for providing broad knowledge about Participatory-GIS.

I put into words my candid thanks to both the village people mainly those who helped me in carrying out my survey. Without their help it was not possible me to finish survey in time. They provide me necessary things whenever I was in need. I offer my sincere thank and gratitude to all the people of both the villages for their kind corporation and during the survey.

I must utter my appreciation to the *Gaon Bura* Tana Yaga for providing me obligatory knowledge regarding village boundary. In the process of land use classification he provided required information.

I am highly indebted to Mr. Kadir Ansari (Brother-in-law), Salma Khatun (Sister), Jamila Begum (Mother), Sadik Ansari (Nephew), Atifa Khatun (Niece) who provided essential condition while staying in the village for survey. Whole family helped me in every step in my survey.

I must express my gratitude to my seniors Sourav Saha, Inku Devi, Lamginsang Thomte, Saraswati Bhattarai, Kasturi Borkotoky, for providing valuable knowledge on my research study and helping me in my dissertation.

I broaden my special thanks to my friends Manash Jyoti Bhuyan, Debashree Borah, Nisha Rani Dutta, Bijuta Mushahary, Amrit Borah for providing their highly skilled ideas and knowledge for my dissertation.

I shall be failing in my task if I do not extend my thanks to Michael Sonar, Faruk Khan, Chandan Rai, Rofik Khan, Aftab Ali and Sabnam Begum who provided me extraordinary assist in survey.

Besides, I keep a word of thanks for all those authors, publishers, organizations/ institutions, whose valuable papers, books, journals, reports and other relevant data/ information were consulted in my research work.

Lastly, no lexis can passably state my sense of appreciation to my parents Jamruddin Khan and Sitara Begum and other family member for their hearted support and encouragement during my research work.
